

**VISUAL ARTS:**

**DESIGN**

**SPIRIT OF SUCCESS**

# DESIGN

- Students learn to plan interior spaces of almost every type of building, including offices, airport terminals, theaters, shopping malls, hotels, hospitals and private residences
- Students learn about all facets of interior design, including: architectural detailing, renovation, location of windows, stairways, escalators and walkways
- Students work with different colors, textures, furniture, lighting and space that will work together to meet the needs of a building's occupants
- College credit available

## CERTIFICATION OPPORTUNITIES:

Obtaining interior design certification through the NCIDQ is necessary for earning your professional license in many states and jurisdictions. To qualify to take the NCIDQ certification exam, you must have a combination of interior design education credit hours and work experience hours

## HIGH SCHOOL CREDIT:

1st year – 1 Technology, 2 Elective

2nd year – 3 Elective

## COLLEGE PARTNERS/CREDITS EARNED:

Columbus State Community College: Up to 3 Semester Hours

## POSSIBLE CAREER PATHS:

Postsecondary education with either an Associate or Bachelor Degree is necessary  
For entry-level positions, some states require licensing for Interior Designers
